

Perkins Hall Use Policy Statement
August 2017

No personal projects are to be conducted by faculty, staff, or students in Perkins Hall nor may university supplies be provided for such use. All students working on projects in Perkins Hall must have an official UMaine reason (e.g. class assignment, student club) and any use shall require documented safety training. Personal projects refers to use of wood working equipment, metal working equipment, and/or vehicle activities. No maintenance or repairs on privately-owned vehicles or other mechanical devices will be performed at Perkins Hall and no university supplies will be provided for private vehicles. Private vehicles are not to be brought into the shop.
