The Barbara Wheatland Seminar Series seeks to recruit prominent speakers on advanced, cutting edge research and applications of remote sensing and associated geospatial technology that relate to forestry, conservation, climate change, or other areas of concern.

All seminars will be:
3:00 pm
Plum Creek Room (RM 204)
Nutting Hall (unless otherwise noted)

The Barbara Wheatland Seminar Series is made possible with generous support from the Maine Timberlands Charitable Trust.

If you are a person with a disability and need an accommodation to participate in this program, please call Cindy Paschal, School of Forest Resources, as early as possible at 581-2841 or cпасchal@maine.edu to discuss your needs.
