- 4:15 - 4:45pm ***Beech management***  
**Max McCormack**, UMaine Emeritus Professor
- 5:00 - 7:30pm Social and banquet  
Evening speaker: **Adam Daigneault**, University of Maine

**3/18/19 – “Beech & Other Forest Management Challenges” has been assigned:  
4.0 category 1 CFE credits  
One-half day CLP recertification credit  
2 pesticide credits**

**Day 2 - Tuesday, March 19, 2019**  
**“Markets & Forest Roads”**

- 7:00 - 8:00am      Registration & Check In
- 8:00 - 8:15am      Opening remarks
- 8:15 - 8:45am      ***Forest products markets***  
                         **Eric Kingsley**, Innovative Natural Resource Solutions
- 8:45 - 9:15am      ***Importance of BMPs***  
                         **Tom Gilbert**, Maine Forest Service
- 9:15 - 9:45am      ***Calculating peak streamflows using Streamstats and Historical trends in heavy precipitation and peak streamflows***  
                         **Pam Lombard**, USGS New England Science Center  
                         **Glenn Hodgkins**, USGS New England Science Center
- 9:45 - 10:15am      BREAK
- 10:15 - 10:45am    ***Fisheries Improvement Network (FIN)***  
                         **Pat Sirois**, Executive Director, Maine SFI Implementation Committee
- 10:45 - 11:15am    ***Concrete water crossing products***  
                         **Blaine Miller**, Dirigo Timberlands
- 11:15 - 12:00am    ***Stream crossing implementation***  
                         **Ted Shina**, Huber Resources  
                         **Tony Jenkins**, NRCS-Maine
- 12:15 - 1:30pm      Lunch  
                         Short business meeting to follow lunch

**3/19/19 -- “Markets and Forest Roads” has been assigned:**  
**3.0 category 1 CFE credits**  
**One-half day CLP recertification credit**
